

# Say My Name

## Porter Robinson

Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can

Say my name and you can say it with honor  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can

Name and you can, say my name and you can  
Say my name and you can (and you can)  
Say my name and you can say it with honor  
Name and you can

Say my name and you can say it with honor  
Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can say it with honor  
Say my name and you can say it with honor  
Say my name and you can  
Say my name and you can  
Say my name and you can  
Say my name and you can

Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can say it with  
Name and you can

Can can

Say my name and you can say it with honor  
Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can, say my name and you can  
Say my name and you can say it with honor  
Say my name and you can say it with honor
