

# Venus Fly (feat. Janelle Monáe)

## Grimes

Hey, oh why you looking at me? (Against the music)  
Hey, oh why you looking at me? (Baby I can use it) Why you looking at me now?  
Why you looking at me again?  
What if I pulled my teeth?  
Cut my hair underneath my chin  
Wrap my curls all around the world  
Throw my pearls all across the floor  
Feeling my beat like a sniper girl  
(Cause I want it more) Hey, what about me?  
Oh, why you looking at me?  
Oh, why you looking at me?  
(Against the music)  
Hey, what about me?  
Oh, why you looking at me?  
Oh, why you looking at me? (Baby I can use it)  
Kitty, kitty, kitty cat  
Why you always doing that?  
Why you always talking smack?  
Yeah, Grimes got my back  
Kitty, kitty, kitty cat  
Why you always call it black?  
Why you always talking smack?  
Yeah, Grimes Why you looking at me now?  
Why you looking at me again?  
What if I pulled my teeth?  
Cut my hair underneath my chin  
Wrap my curls all around the world  
Throw my pearls all across the floor  
Feeling my beat like a sniper girl  
(Cause I want it more)  
Hey, what about me?  
Oh, why you looking at me?  
Oh, why you looking at me?  
(Against the music)  
Hey, what about me?  
Oh, why you looking at me?  
Oh, why you looking at me? (Baby I can use it) The floor  
What about?  
Again  
Why you looking at me?  
Again  
Again

Hey, oh why you looking at me?  
Oh, why you looking at me?  
Baby I can use it
