

# **My Faith In You**

**Brantley Gilbert**

Yeah this world will turn its back  
When you find yours against that wall  
Just watch it as it keeps on spinnin'  
Just like there's nothin' wrong That's why I'm thumbin' through these pages  
They say the answers are in red  
And I believe they're in here somewhere  
I just haven't found 'em yet  
It's the only hope that I got left()  
'Cause I could stand to lose my faith in  
Friends that come and go  
Yeah they'll be there when you need them  
They say that when you don't  
I could give up on my heroes  
Could let myself down too  
But what would I do  
If I lost my faith in you  
My faith in you You know I've learned  
through all these stories  
All about the pain you felt  
And I know you did all that for me  
And I'm still askin' you for help  
'Cause Lord I just can't help myself()  
I could stand to lose my faith in  
Friends that come and go  
Yeah they'll be there when you need them  
They say that when you don't  
I could give up on my heroes  
Could let myself down too  
But what would I do  
If I lost my faith in you  
'Cause I've been beaten  
I've been broken  
I've been dangerously bruised  
And Lord I never would have made it  
If I'd of lost my faith in you If I'd lost my faith in you Know you always got my back And I don't  
know why For a hell raiser like me  
To have a safe place to land  
Can't thank you enough  
You saved my life I'll never lose my faith in you  
My faith in you  
I'll never lose my faith in you
