

# Smokers Unite (feat. Paul Wall & Clyde Carson)

## GTA

Smoke, Smoke Smoking the weed,  
we go in the finest of trees  
can up a sinical leaves  
light it up, pass it here please  
smoking this O.G,  
I dont know nothing bout no sees  
blow like the breeze  
high as hope like a geese  
a cup a few peace what I need  
might as well bring the whole peed  
cuz we light it up balding  
and smoke we wanted all these  
Leez know nothing but A-1  
Somehow im looking down at the sun  
Smoking one once and agua for fun  
smoke with me and you'll forget where your from  
higher than the kite  
I smoke like a chimney all night  
O.D. on kush, i just might  
All I need is a light  
Smokers Unite!Smokers unite,  
now roll up and light  
Smokers unite,  
now roll up and light  
Smokers unite,  
now roll up and light  
im feelin so righchess cuz smokers united  
Smoke  
What in the hell is you doin  
you smoking that Reggie  
my boy is you trippin  
no one the win we don't get down like that  
who you kidding this shit is forbidden  
smacking the grass a stickman the wax  
and the heated you need my permission  
trippers stay loaded with hundreds  
come come or get trippy I dont play no quit  
(no sir)  
twist in the woods  
thick as a rope

she is so sticky the grind is broke  
not for no children  
its just for adults  
come for the key  
come that fur coat

look like a candle it never go out  
full of sadelite bout to take flight  
like commercial we just are hiet!

O.G is my type  
Smokers Unite!

Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Feelin so righchess cuz smokers united

Ayy

California kings force we nigga we the meddingyen  
grow the best shit on earth  
cookies, O.G. chronic pur  
nigga send that "d" to the east coast  
hit me back when you need mo  
ill be on fifty if a estocked  
we in big momma house eating so fu  
nigga grew up around the dealers and the dope heads  
when we turn scooters into mopeads  
off the block hear the motor  
see me coming round the corner  
got su young fly across now the top is off  
bump a two short and two pocolypse  
if we owe you night, aint no stoppin us  
perhaps you should wait, yeah we got em all  
smoke

Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Feelin so righchess cuz smokers united

Smoke

Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Smokers unite, now roll up and light  
Feelin so righchess cuz smokers united

Smoke

End
