

Shame On Me

Avicii

Ok?! (Now start singing)Shame on me for loving you
You can't deny that you been untrue
You lie so sweet but you love me deep
Putting out fire with your gasolineWow! Wow!Yeah!After five times, I was born again
You can go to hell with your fucked-up friends
You crazy little bitch in the first degree
Shame on you for loving me
Yeah!
Woah-oh-oh!
Oh-oh!
(Oh! My! My!)
That's what I get for loving you!
(Lie! Lie! Lie!)
No, I can't live without you!
(Why? Why? Why?)
And all those things you put me through!
(Cry? Cry? Cry?)
Cuz, I get my kicks without you!(That's what I get for loving you)
(I could not live without you)
(That's what I get for loving you)
(I could not live without you)Shame on me for loving you
You can't deny that you've been untrue
You lie so sweet but you love me deep
Putting out fire with your gasoline
Dot-dot-dot! Dot-Up!
Heh-eh-eh!
After five times, I was born again
I'mma raise hell to the bitter end
I'm a crazy little bitch in the first degree
Shame on you for loving me
Ha!
Yay, yeah yeah!
Uh, uh, uh!(Oh! My! My!)
That's what I get for loving you!
(Lie! Lie! Lie!)
No, I can't live without you!
(Why? Why? Why?)
And all those things you put me through!
(Cry? Cry? Cry?)
Cuz, I get my kicks without you!(But I would leave when, you would not leave me)
(And I believe in you)
(And I, will end with you, with you)(That's what I get for loving you)
