## E-40

Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb Ooh Jesus Christ had dreads, so shake 'em  
I ain't got none, but I'm planning on growing some  
Imagine all the Hebrews going dumb  
Dancing on top of chariots and turning tight ones  
Ooh, tell me when to go  
(Dumb)  
Talking on my ghettro on my way to the store  
My 2nd or 3rd trip  
Some Henne, some Swishers and some Listerine Strips Dr. Greenthumb lift just to ease my  
thoughts  
Not just the cops, but the homies you gotta watch  
The moon is full, look at the dark clouds  
Sitting in my scraper, watching Oakland goin' wild, tadow I don't bump mainstream, I knock  
underground  
All that other sh\*\*, sugar-coated and watered down  
I'm from the Bay where we hyphy and go dumb  
From the soil where them rappers be getting they lingo from Tell me when to go, tell me when  
to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb  
Tell me when to go, tell me when to go  
Tell me when to go, tell me when to go  
Go, dumb, go, dumb, go, dumb, go, dumb  
Go, dumb, go, dumb, go, dumb, go, dumb I'm off that 18 purple juice  
\*\*\*\*\* like a mayne, labeled the Black Zeus  
King of the super dooper hyphy hyphy hyphy  
Hyphy and you wifey, you don't like me, like me, like me From the Bay to the A  
Put me in the back wood, swisher sweet bud  
It's dope, it's just some sh\*\* I wrote  
I said you couldn't be saved by John the Pope I slid past on the gas, \*\*\*\*\* looking at me  
It's good, it's good like the granddaddy  
Cross game, you get flipped like a burger patty  
Or zig-zagged, pass me the big old fatty I drink white with a snow bunny

Talkin' big sh\*\* in a scraper going hella dumb
