## Color Me Badd

Ooooh sock it to me mamma(Bootsy Collins)  
Oh I thought I saw a pussy cat baby  
Yeah she looks like she can be my personal steady  
Yeah, let me make this move(Color me Badd)  
Baby I want ya very bad babe (I do)  
& I've been wanting you for soooo long (oh)  
& I could never love you fast babe (not you)  
I'd take my time & love you all night long  
Allll night  
You know that I want your love  
Let me make it right  
Forrrr you  
Allll night  
You're the 1 I'm thinking of  
Once I make it right  
Baby I know you will never go I like to love you in slow motion (oooooh you got it goin on)  
(slow)  
Let me love you slow (slow)  
I like to love you slow so morning will come before I do  
Let me love you slow(Bootsy Collins)  
Uh well uh  
My motor's runnin  
You got this animal hype & uh  
I gotta slow it down  
To get my timing right  
(Color Me Badd)  
Baby I think you're very sexy (I do)  
Come over here & get a little bit closer to me (yeah)  
The time has come for me to love you real slow (slow)  
Motion lover is what they call me (good god)I like to love you in slow motion (oooooh you got  
it goin on) (slow)  
Let me love you slow (slow)  
I like to love you slow so morning will come before I do  
Let me love you slow (how ya wanna do it baby)(Bootsy Collins)  
Oh 20 miles per hour is the speed I drive (all night)  
Aint nothin' wrong I just take my time  
Yeah but check this out  
Don't get offended if I fall for a little behind baby (all right)  
20 miles per hour and uh, your rump is mine yeah(Color Me Badd)  
I like to love you in slow motion (oooooh you got it goin on)  
Let me love you slow (slow)  
I like to love you slow so morning will come before I do

Let me love you... ooohh sock it to me mammaAllll night  
You know that I want your love  
Let me make it right  
Forrrr you  
Allll night  
You're the 1 I'm thinking of
