

A Song for the Hopeless

All That Remains

The day has ended
I lie awake
A soft glow over my shoulder
I'll sleep soon
Wake tomorrow and then it's all the same
And I'll destroy the memories one by one
The bitter past erased
I'll not replace
What's done is done
No belief is all that's left and I do not regret
The darkness welcomes me back home
And I am still my own (can't take away)
And I am still my own
And I feel the pain still deeply it seems
Sometimes too much to bear
And I have a core within me still
My strength is there
And I'll destroy the memories one by one
The bitter past erased
I'll not replace
What's done is done
No belief is all that's left and I do not regret
The darkness welcomes me back home
And I am still my own (can't take away)
And I am still my own
And I'll destroy the memories one by one
The bitter past erased
I'll not replace
What's done is done
No belief is all that's left and I do not regret
The darkness welcomes me back home
And I am still my own (can't take away)
And I am still my own (can't take away)
And I can't be nameless
I know who I am (take away)
And I am still my own
You cannot take away (can't take away)
You cannot take away (can't take away)
You cannot take away (can't take away)
You cannot take away
And I am still my own (can't take away)
And I am still my own (can't take away)
And I can't be nameless
I know who I am (take away)
And I am still my own
