

# I Don't Know My Name

Grace VanderWaal

I don't know my name  
I don't play by the rules of the game  
So you say I'm just trying, just trying  
So I heard you are my sister's friend  
You get along quite nicely  
You ask me why I cut my hair  
And changed myself completely  
I don't know my name  
I don't play by the rules of the game  
So you say I'm just trying, just trying  
I went from bland and popular  
To joining the marching band  
I made the closest friends  
I'll ever have in my lifetime  
I am lost, trying to get found  
In an ocean of people  
Please don't ask me any questions  
There won't be a valid answer  
I'll just say  
That I don't know my name  
I don't play by the rules of the game  
So you say I'm just trying, just trying  
I now know my name!  
I don't play by the rules of the game  
So you say, I'm not trying  
But I'm trying, to find my way
