No Son of Mine

Genesis

Well the key to my survival
was never in much doubt
the question was how I could keep sane
trying to find a way outThings were never easy for me
peace of mind was hard to find
and I needed a place where I could hide
somewhere I could call mineI didn't think much about it
til it started happening all the time
soon I was living with the fear everyday
of what might happen that night
I couldn't stand to hear the
crying of my mother
and I remember when
I swore that, that would be the

Last they'd see of me
And I never went home againthey say that time is a healer
and now my wounds are not the same

I rang the bell with my heart in my mouth

I had to hear what he'd sayHe sat me down to talk to me he looked me straight in the eyesHe said:You're no son, you're no son of mine

> You're no son, you're no son of mine You walked out, you left us behind and you're no son, no son of mine

oh, his words how they hurt me, I'll never forget it

and as the time, it went by, I lived to regret itYou're no son, you're no son of mine but where should I go,

and what should I do

you're no son, you're no son of mine

but I came here for help, oh I came here for youWell the years they passed so slowly

I thought about him everyday

what would I do, if we passed on the street

would I keep running awayin and out of hiding places

soon I'd have to face the facts

we'd have to sit down and talk it over

and that would mean going backthey say that time is a healer

and now my wounds are not the same

I rang that bell with my heart in my mouth

I had to hear what he'd sayHe sat me down to talk to me

he looked me straight in the eyesHe said:You're no son, you're no son of mine

You're no son, you're no son of mine

When you walked out, you left us behind

and you're no son, you're no son of mineoh, his words how they hurt me, I'll never forget it

and as the time, it went by, I lived to regret itYou're no son, you're no son of mine

But where should I go and what should I do

You're no son, you're no son of mine

But I came here for help, oh I was looking for you

You're no son, you're no son of mine - oh

You're no son - ha yeah, ha yeah, ha yeah, ha yeah

You're no son, you're no son of mine - oh, oh...
