

I Bet

Ciara

I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you So I'm supposed to believe that it's Fellini's calling your phone?
I'm s'posed to believe that they're asking you if you're home
I wasn't born yesterday, not me
Can't get that over me, not me
I love you but I won't be a fool for you
That is just something that I wouldn't do, babe
I mean I'mma stay if you could tell the truth
But you can't, no matter how much time I ask Is that your bitch over there, giving' me the ugly
stare
The one with the silicone ass, and the Brazilian hair You ain't gon' respect me no no no till I'm
not there
See, I got you comfortable, now you ain't really scared I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side I bet you start loving me
Soon as I start loving someone else
Somebody better than you
So you bought me a car, he can buy that too
I can take care of myself and I can find someone to do it too, baby
You actin' like you upgraded me, I upgraded you
You and me Fashion Week in Paris, I put you on to that new
But you took advantage of, you took advantage of, you took advantage
I cannot understand it, I cannot understand it, I cannot understand it
I thought you'd always be there for me, yeah yeah
But if you ask me if I knew better now, hell yeah So you can keep that bitch over there giving'
me the ugly stare

The one with the silicone ass, and the Brazilian hair
You ain't gon' respect me no no no 'til I ain't
You ain't gon' respect me no no no 'til I'm not there
See, I got you comfortable, now you ain't really scared But I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me soon as you see me with someone else
Somebody other than you
And I know that it hurts, you know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you Baby, tell me what's it, gonna take to keep it
All the way one hundred
You won't get it 'til I'm gone away (away) I bet you start loving me
Soon as I start loving someone else
Somebody better than you
I bet you start needing me
Soon as you see me with someone else
Somebody other than you
And I know that it hurts
You know that it hurts your pride
But you thought the grass was greener on the other side
I bet you start loving me
Soon as I start loving someone else
Somebody better than you Oh oh oh oh oh oh oh
I hate, I hate that I'm singing this song, singing this song
'Cause I love you
Yeah I love you Oh-oh, oh-oh, oh-oh, oh-oh
I'm all cried out
I'm all tried out
I'm all fired out
Yeah Right now it's killing me
'Cause now I have to find someone else
