

# Bravo

## Ledisi

I've got a new walk and a new point of view  
A new purpose for everything I do  
I got a, a new rule on me, real folks around  
If you're wondering, I'm about to tell you now  
See, it's the same pretty face but a brand new  
smile  
Same Ledisi but she ain't walking, she's flying  
New game, making big moves  
See if love found me it can surely find you, say it  
I ain't even got one sad tear left in me  
All I really want is to see the whole world  
Stand up tonight, take off, aye  
Yeah, we celebrating life, the only way  
It don't matter who you are or where you're from  
If you been working hard give yourself a round of applause  
Bravo, bravo, bravo, come on, clap for yourself  
Bravo, bravo, bravo, yeah, yeah  
There ain't a wrong time or a wrong place to flaunt  
If you feel good then go on and show it off  
They can say what they wanna, just let 'em try  
I don't listen to 'em, baby, lemme tell you why  
See, it's the same pretty woman with the brand  
new smile  
Same Ledisi but she ain't walking, she's flying  
A new game, making big moves  
See if love found me it can surely find you, say it  
I ain't even got one sad tear left in me  
All I really want is to see the whole world  
Stand up tonight, take off, aye  
Yeah, we celebrating life, the only way  
It don't matter who you are or where you're from  
If you been working hard give yourself a round of applause  
Bravo, bravo, bravo, come on, clap for yourself now  
Bravo, bravo, bravo, yeah, yeah  
So, ladies put your best dress on, get your hair done  
Do it real big, it's a celebration  
Fellas, come on, everyone  
Let me hear you clap now if this is your one  
I ain't even got one sad tear left in me  
All I want is to see the whole world  
Stand up tonight, take off, aye  
Yeah, we celebrating life, the only way  
It don't matter who you are or where you're from  
If you been working hard give yourself a round of applause  
Bravo, bravo, bravo, come on, clap  
for yourself now  
Bravo, bravo, bravo, yeah, yeah  
Bravo, bravo, bravo, give yourself a hand clap  
Bravo, bravo, bravo
