

House On Fire

Sia

I don't like to wait too long, to wait too long, wait too long
Bring it on and bring it strong, bring it baby
I feel the pain and it feels good, I know it would
Your heart burns slow, I feel the pain and I cry out, cry out I need you, I need you
Baby I want to drink you in
Like oxygen, like oxygen Baby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
So take me to the heavens now
As we burn down, as we are found
Take me to the heavens now
My heart screams out I need you, I need you
Baby I want to drink you in
Like oxygen, like oxygen Baby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
Love me, to the beat of a drum, to the beat of a drum yeah
Love me, till the walls cave in yeah

Love me, to the beat of a drum, to the beat of a drum yeah
Love me, I don't wanna savingBaby I want to drink you in
Like oxygen, like oxygenBaby I'm a house on fire
And I want to keep burning
Going on up in flames
And you're to blame
Yeah, you're to blame
Baby I'm a house on fire
And I want to keep burning
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
I want to keep burning
I want to keep burning
I want to keep burning
Baby I'm a house on fire
Baby I'm a house on fire
