

Hope (feat. Prince Mydas)

Shaggy

When your legs don't work like they used to before,
And I can't sweep you off of your feet,
Will your mouth still remember the taste of my love,
Will your eyes still smile from your cheeks, Darlin' I will,
Be lovin' you,
Till we're seventy,
Baby my heart,
Could still fall as hard,
At twenty three, I'm thinkin' bout how,
People fall in love in mysterious ways,
Maybe it's all part of a plan,
Me I fall in love with you every single day,
I just wanna tell you I am,
So honey now,
Take me into your lovin' arms,
Kiss me under the light of a thousand stars, Place your head on my beating heart,
I'm thinking out loud,
Maybe we found love right where we are,
When my hairs all but gone and my memory fades, And the crowds dont remember my name,
When my hands don't play the strings the same way,
I know you will still love me the same,
'Cause honey your soul,
Can never grow old,
It's evergreen, Baby your smile's forever in my mind in memory,
I'm thinkin' bout how,
People fall in love in mysterious ways,
Maybe it's all part of a plan,
I'll continue making the same mistakes,
Hoping that you'll understand,
That baby now,
Take me into your loving arms, Kiss me under the light of a thousand stars,
Place your head on my beating heart,
I'm thinking out loud,
Maybe we found love right where we are, Baby now,
Take me into your loving arms,
Kiss me under the light of a thousand stars, Oh darlin'
Place your head on my beating heart,
I'm thinking out loud, Maybe we found love right where we are,
Oh baby we found love right where we are,
And we found love right where we are.
