Camel Power Club

Swingin on and happy,
hipee yeah, hipee yeah! Shake it all baby, Shake it all baby, Shake it all baby, Shake it all
baby. Stop trying to look like models in the TV show,
why would you want to be someone you do not know?
Girl you're not so pretty even in the winter snow,
you deserve much better, i think it's time to grow. Swingin on and happy,
hipee yeah!
Shake it all baby, Shake it all baby, Shake it all baby, Shake it all baby.
