

# Ghum Shuda

## Sonu Nigam

Gumshuda! Gumshuda!  
Koi Huwa Kahan Huwa,  
Disappeared...  
Someone has disappeared Where did she go?  
Kal Tha Main Yahan,  
Woh Bhi Thi Yahan,  
Main Hoon Phir Yahan,  
Lekin Woh Nahin,  
Yesterday I was right here, So was she.  
I'm right here again, but she isn't here. Gum shuda! Gum shuda!  
Disappeared... Disappeared... Dekhne Mein Hai Haseen,  
Rehti Hai Yahi Kahan,  
Kho Gayi Haan Kho Gayi,  
She's beautiful to look at.  
She stays somewhere around But she has gone missing. Woh Pari Woh Apsara, Dilnashi  
Dilruba,  
Kho Gayi Ha Kho Gayi, She's a fairy, an alluring beauty.  
She has gone missing. Phirta Hoon Jahan Wahan,  
Leke Apna Dil Aur Jaan,  
Dhoondha Sara Jahan,  
Na Jaane Woh Hai Kahan, I look for her with all my heart and soul  
I've looked for her all over the world, I wonder where she is. Gumshuda Gumshuda,  
Disappeared! Disappeared! Dil Ki In Baaton Se The Main Tha Bilkul Anjana,  
Lekin Us Ladki ne, Kar dala Hai Deewana,  
I was ignorant in matters of the heart.  
But that girl has driven me crazy.  
Jahan Bhi Main Dekho,  
Lagta Hai Woh Khadi Hai,  
Bas Uska Hi Chehra,  
Aankhon Mein Har Ghadi Hai, Everywhere I look, I think I see her  
It's her face my eyes behold all the time. Itni Bhi Kya Bechaini Hai,  
Kya Hai Dastaan?  
What restlessness is this? What's all this about? Gumshuda! Gumshuda!  
Disappeared! Disappeared! Yaaron Tum Jo Mujhko,  
Us Ladki Se Milwado,  
Meri Khoyi Khushiya Jo,  
Phir Wapas Milwado,  
Take me to that girl somehow, my friends.  
Give me all the happiness I've lost. Ghar Jo Dikhado Uska,  
Ghar Apna Lagdo Yaara,  
Ab Jo Mile Ho Mujhko,  
Usko Apna Banalo Yaara,

Show me where she lives And I'd give up my own house  
If I meet her now, I'll take her for my own Jaane Pooray Kab Honge Bechare Ke Armaan?  
When will the poor man's desires Be fulfilled? Gumshuda Gumshuda,  
Disappeared! Disappeared! Dekhne Mein Hai Haseen,  
Rehti Hai Yahi Kahin,  
Kho Gayi Haan Kho Gayi, She's beautiful to look at.  
She stays somewhere around But she has gone missing. Woh Pari Woh Apsara, Dilnashi  
Dilruba,  
Kho Gayi Ha Kho Gayi, She's a fairy, an alluring beauty.  
She has gone missing. Phirta Hoon Jahan Wahan,  
Leke Apna Dil Aur Jaan,  
Dhoondha Sara Jahan,  
Na Jaane Woh Hai Kahan, I look for her with all my heart and soul  
I've looked for her all over the world, I wonder where she is. Gumshuda Gumshuda,  
Disappeared... Disappeared... Gumshuda Meri Mehbooba,  
My love has disappeared...  
Gumshuda Gumshuda,  
Disappeared... Disappeared...  
Gumshuda Meri Dilruba,  
My love has disappeared...
