

Look Into Your Heart

Jordin Sparks

If you look into your heart
With the positive mind
Take something victory of your woman and your glory
Let the bad things behindEverybody's got a story
About the love and the good things
But all the spices of your life
You got to pay the price,
If you know what I mean
And I'm telling everybody out loud
That this metaphor makes me so very proud
When I thought there was nothing left
I believe I found myself
I wanna give it to you, baby, yeahSo if you're looking to your heart
With the positive mind
Take something victory
of your woman and your glory
Leave the bad things behind
I know a man, he really needs me
We don't have that every day, yeah
I know my man, he really needs me
And whatever he wanna do
I wanna do it with you, baby, yeah, yeah
