

Lose Control

Meduza, Becky Hill & Goodboys

Why do I feel like I'm drowning
 Like I'm running out of air, ah-ah-ah
 Why do I feel like I'm falling When I'm nowhere near the edge, ah-ah-ah Just let me know
 Can you be the one to hold and not let me go?
 I need to know
 Could you be the one to call when I lose control? Ah-ah-ah-ah, ah, ah-ah-ah
 I need your love, ah, I need your love, ah
 Ah, ah-ah-ah-ah, ah, ah-ah-ah
 I need your love, ah, I need your love, ah
 Ah-ah-ah-ah, ah, ah-ah-ah
 I need your love, ah, I need your love, ah
 Ah-ah-ah-ah, ah, ah-ah-ah
 Could you be the one to call when I lose control?
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (I need your love ah)
 When I lose control? (I need your love ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 Could you be the one to call when I lose control? I know I can be destructive
 And I can change the atmosphere, ah-ah-ah
 All I ask from you is patience (Patience)
 Some patience (Patience), some patience (Patience) Just let me know
 Can you be the one to hold and not let me go?
 I need to know
 Could you be the one to call when I lose control?
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (I need your love ah)
 When I lose control? (I need your love ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 Could you be the one to call when I lose control? Ah-ah-ah-ah, ah, ah-ah-ah
 I need your love, ah, I need your love, ah (Oh)
 Ah, ah-ah-ah-ah, ah, ah-ah-ah
 I need your love, ah, I need your love, ah When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (I need your love ah)
 When I lose control? (I need your love ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 When I lose control? (Ah-ah-ah-ah, ah)
 Could you be the one to call when I lose control?
