

Battlefield

Lea Michele

It's easy to fall in love
But it's so hard to break somebody's heart
What seemed like a good idea
Is turned into a battlefield
Once lust has turned to dust
And all that's left held breaths
forgetting who we first met
What seemed like a good idea
Is turned into a battlefield
We both know it's come in dozen
Illusion count for something we heard
Surface tensions got a break
One drop is all it takes to flood out this lie
Ohhhh
You and I, we have to let each other go
We keep holding on but we both know
What seemed like a good idea
Is turned into a battlefield
Peace will come when one of us puts down de gun
Strong for both of us no please don't run, don't run
Eye to eye we face our fears
come on join the battlefield
We seemed like a good idea
We seemed like a good idea
No blood was spilled, we won't get out now
Still, it's hard to put the fire out
What seemed like a good idea
Is turned into a battlefield
We leave our shift and like the tide
And I think to much about the future
What seemed like a good idea
Is turned into a battlefield
We both know it's come in dozen
Illusion count for something we heard
Surface tensions got a break
One drop is all it takes to flood out this lie
Ohhhh
You and I, we have to let each other go
We keep holding on but we both know
What seemed like a good idea
Is turned into a battlefield
Peace will come when one of us puts down de gun
Strong for both of us no please don't run, don't run
Eye to eye we face our fears
come on join the battlefield
We seemed like a good idea
We seemed like a good idea
We seemed like a good idea
We seemed like a good idea
