

# Right Here

Miley Cyrus

I'll be right here where you need me  
Anytime just keep believin'  
And I'll be right here If you ever need a friend  
Someone to care and understand  
I'll be right here All you have to do is call my name  
No matter how close or far away  
Ask me once and I'll come, I'll come runnin' And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes, look inside  
I'm right here  
Isn't it great that you know that  
I'm ready to go wherever you're at  
Anywhere I'll be there All you have to do is call my name  
No matter how close or far away  
Ask me once and I'll come, I'll come runnin' And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes, look inside  
I'm right here Whenever you need me  
There's no need to worry  
You know that I'm gonna be  
Right here! Ask me once and I'll come, I'll come runnin'  
And when I can't be with you dream me near  
Keep me in your heart and I'll appear  
All you gotta do is turn around  
Close your eyes, look inside  
I'm right here, oh yeah yeah, I'm right here
