

# Touch

## Pia Mia

I'm laying in this hotel  
Cuddling up to the body pillow  
I'm trying not to call you  
Cause I don't want to miss you no more Every now and then I get a little lonely  
I can hold myself but no it's not the same thing  
Need to feel the pressure somewhere on my body  
On my body, oh Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me  
So touch me  
So touch me  
I can't get to sleep  
Damn oh damn I'm trying now  
Oh, I put on the Tv right here  
Maybe it'll calm me down Every now and then I get a little lonely  
I can hold myself but no it's not the same thing  
Need to feel the pressure somewhere on my body  
On my body, oh Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me  
So touch me  
So touch me  
All I want, all I want, all I wanna do  
Is be touched by you  
If you want, If you want, if you want it too  
Tell me the truth  
All I want, all I want, all I wanna do  
Is be touched by you  
And if you want it too  
Just touch me Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me Cause sometimes  
All I wanna do is be touched  
All I wanna do is be loved  
All I wanna do is be touched  
So touch me

Oh hustle baby  
Oh hustle baby  
Oh, so hustle baby  
So touch methe end
