

Got Me Going Crazy

Jonas Brothers

Hey there pretty lady
Tell me how you're doing
Tell me what can I do to helpCuz I've been thinking of you
For a little while now
And this right here is how I feelGirl you got me going crazy
Knocked me off my feet
Now you got me begging baby
Begging baby please
All I wanna know is do you wanna get away
Get away with me
Cuz girl I don't know what to do cuz I'm so in love with you
Head over my heels
Yeah I know how I feel
Don't you know that I'm in love?
Oh I was so lonely
Now I know you love me
This right here is how I feelWhoa!Girl you got me going crazy
Knocked me off my feet
Now you got me begging baby
Begging baby please
All I wanna know is do you wanna get away
Get away with me
Cuz girl I don't know what to do cuz I'm so in love with youC'mon!All I wanna know is do you
wanna get awayYeah!
Girl you got me going crazy
Knocked me off my feet
Now you got me begging baby
Girl I'm on my knees
All I wanna know is do you wanna get away
Get away with me
Cuz girl I don't know what to do cuz I'm so in love...
So in love...
So in love...
With youAh
