I'll hip you to the Tee that is
I got the best, the most, baby, from coast to coast
And I don't wanna boast, but I love you Square BizI'm talkin' Square Biz to you, baby

Square, Square Biz

Square, Square Biz I'm talkin' Square Biz to you, baby
Square, Square Biz
I'm talkin' love that is
That is, that is, that is Square Biz Ooh
Hey, baby, what's your name, huh
(Ladies call me Slick Rick, baby)
Well, don't be too slick now I'm talking Square Biz (Talk to me, talk to me, baby)
I'm talking Square Biz (Talk to me, talk to me)
I'm talking Square Biz (Talk to me)
I'm talking Square Biz to you
I'm talking Square Biz (Talk to me)
I'm talking Square Biz to you Baby, what's happening
Entre vous Lady Tee
I've heard a boatload of others ladies' raps
But they ain't got nothin' on me
I'm less than five foot one, a hundred pounds of fun
I like sophisticated funk
I live on Dom Perignon, caviar, filet mignon
And you can best believe that's bunk
Here's what I'm talking, baby
Square Biz, Square Biz I've been called Casper, Shorty, Lil' Bit
And some they call me Vanilla Child
But you know that don't mean my world to me
'Cause baby, names can't cramp my style
(I love chick-icken) And Buff's collard greens
A little hot water corn bread
I love you too Cat daddy
But don't you let that go to your head
That's what I'm talking, baby
Square Biz, Square Biz You know I love spirituals and rock
Sarah Vaughn, Johann Sebastian Bach
Shakespeare, Maya Angelou
And Nikki Giovanni just to name a few
Well, I'm wild and peaceful Lady Tee
I got to keep my irons in the fire, you see
I got the point, the scam, the low, the deal
What you feel, say what Flash back, who's that (Flash back)
Flash back, who's that (Flash back) So don't you have no doubt, I'm gonna spell it out
I'll hip you to the Tee that is
I got the best, the most, baby, from coast to coast
And I don't wanna boast, but I love you Square Biz I'm talkin' Square Biz to you, baby
Square, Square Biz
I'm talkin' love that it
Square, Square Biz I'm talkin' Square Biz to you, baby
Square, Square Biz
I'm talkin' love that is
Woo I'm gonna talk about it

I'm gonna talk my love
I'm gonna talk about it
I'm gonna talk my love I'm gonna hip you to the Tee
(The Tee) The Tee
What's the Tee
Now you know that's me Flash back, who's that (Flash back)
Flash back, who's that (Flash back)
Flash back, who's that (Flash back)
Flash back, who's that (Flash back) I'm gonna talk about it
I'm gonna talk my love
I'm gonna talk about it
I'm gonna talk my love I'm gonna hip you to the Tee
(Everybody's dancing on the Tee)
Quit talking Square Biz
(Everybody's dancing on the Tee)
Quit talking Square Biz
