

# Honest

## MAJOR.

Oh oh oh  
Honest  
Oh Maybe I don't have enough  
Maybe that maybe too much  
Tell me if I misunderstood  
Let this go if you feel you should I just wanna be Honest X 2  
With all my faults around  
I may let you down  
I just wanna be Honest  
Oh oh honest  
I can't do it without you  
Don't wanna let you down  
I'm tired of giving you less than truth  
When truth gets what it's pulling me to  
I've been trying to be perfection  
When broken is what makes us human I just wanna be Honest X 2  
With all my faults around  
I may let you down  
I just wanna be Honest  
Oh oh honest  
I can't do it without you  
Don't wanna let you down  
No  
Maybe I just loose some touch  
Maybe I just think too much  
Take me as I am my love  
My Love I just wanna be Honest X 2  
With all my faults around  
I may let you down  
I just wanna be Honest  
Oh oh honest  
I can't do it without you  
Don't wanna let you down oh Only you can take me this way  
Loving me through all my mistakes  
Oh yeah yeah  
Oh oh  
I just wanna be Honest with you  
Oh oh oh oh  
I just wanna be Honest with you  
Oh oh oh (I just wanna be Honest, yeah yeah)  
Maybe I just loose some touch  
Maybe I just think too much

Take me as I am my love  
My Love I just wanna be Honest  
I wanna be Honest  
Oh wo wo  
I wanna be Honest with you
