

# Best Shot

## Birdy & Jaymes Young

When you're on your own  
And you feel you're lost  
When your heart's a mess  
Though you've given your best I'll be here giving it my best shot  
Baby your love's got more than I need  
Here, crying from the rooftops  
Nothing can stop us  
If we believe  
Here, giving it my best shot  
Baby I find that we can be free  
When you're here, here with me  
When your sky is dark  
And the earth is shaking your bed  
Your hope is at it's end  
You just need one friend I'll be here, giving it my best shot  
Baby your love's got all that I need  
Here, crying from the rooftops  
Nothing can stop us  
If we believe  
Here, giving it my best shot  
Baby I find that we can be free  
When you're here, here with me  
When you can't find your way  
Then all around you walked as deep and grayed  
The stars fall from above and your barely holding all my love  
Giving it my best shot  
Baby your love's got all that I need  
Here, crying from the rooftops  
Nothing can stop us  
If we believe  
Here, giving it my best shot  
Baby I find that we can be free  
When you're here, here with me
