

# Tricky, Tricky

Lou Bega

She likes bars she likes diamonds too  
she likes stars if they rendezvous  
she drinks champagne to maintain her style  
she likes a man only for a while  
she likes access to your bank account  
she likes dollars, pesos and british pounds  
she likes money only in high amounts  
baby is cool she knows what counts  
She likes to pay with credit cards  
ride expensive cars stays in the president suite  
and every day she is looking for a man who gives her more  
to satisfy her needs  
She is a soulshaker, troublemaker  
she is a heartbreaker  
undertaker, moneymaker  
she is a lovefaker  
Soulshaker, troublemaker  
she is a heartbreaker  
undertaker, moneymaker  
she is a lovefaker  
Tricky, tricky but she is pretty, pretty  
I like holidays when there is nothing to do  
i like fun for free and an ice cold brew  
i like to watch football on tv  
i like to sleep and wake up around three  
i like to hang out with my boys - making lots of noise -  
dancing in a club - there is no choice  
she will never understand that i can't be her man -  
i am what i am - so damn  
She likes to pay with credit cards  
ride expensive cars stays in the president suite  
and every day she is looking for a man who gives her more  
to satisfy her needs  
She is a soulshaker, troublemaker  
she is a heartbreaker  
undertaker, moneymaker  
she is a lovefaker  
Soulshaker, troublemaker  
she is a heartbreaker  
undertaker, moneymaker  
she is a lovefaker  
Tricky, tricky but she is pretty, pretty
