

# Sing Swan Song (2004 Remaster)

## Can

Shaking her shimmer like you buzz,  
They soothe to the sing swan song.  
Shaking her cold hand to hear  
You've been just the drunk hot bowls.  
She's sucking having game but happy  
As the days run. Shaking her shimmer like you buzz,  
They soothe to the sing swan song.  
Shaking her shimmer like you buzz,  
They soothe to the sing swan song.  
Shaking her cold hand to hear  
You've been just the drunk hot bowls.  
She's sucking having game but happy  
As the days run.  
Shaking her shimmer like you buzz,  
They soothe to the sing swan song.  
Shaking her cold hand to hear  
You've been just the drunk hot bowls.  
She's sucking having game but happy  
As the days run.
