

Beer In Mexico

[Kenny Chesney](#)

Starin' out into the wild blue yonder
So many thoughts to sit and ponder
'Bout life and love and lack of
And this emptiness in my heart Too old to be wild and free still
Too young to be over the hill
Should I try to grow up
But who knows where to start So I just sit right here and have another beer in Mexico
Do my best to waste another day
Sit right here and have another beer in Mexico
Let the warm air melt these blues away
Sun comes up and sun sinks down
And I seen 'em both in this tourist town
Up for days in a rage
Just tryin' to search my soul From the answers and the reasons why
I'm at these crossroads in my life
And I really don't know
Which way to go So I just sit right here and have another beer in Mexico
Do my best to waste another day
Sit right here and have another beer in Mexico
Let the warm air melt these blues away Maybe I'll settle down, get married
Or stay single and stay free
Which road I travel
Is still a mystery to me
So I just sit right here, have another beer in Mexico
Do my best to waste another day
Sit right here and have another beer in Mexico
Let the warm air melt these blues away Down in Mexico
