

Happy

Never Shout Never

You make me happy, whether you know it or not
We should be happy, that's what I said from the start
I am so happy, knowing you are the one
That I want for the rest of my days
For the rest of my days
You're all of my days. You're lookin' so cool, you're lookin' so fly
I can't deny that when I'm staring
You down, right dead in the eye
I wanna try to be the person you want
The person you need
It's hard to conceive
That somebody like you could be with
Someone like me
I'm happy knowing that you are mine
The grass is greener on the other si-ide
The more I think, the more I wish
That we could lay here for hours, and just-a reminisce
Uh Ooo Oooo You're lookin' so fresh
It's catching my eye
Why, oh why, did I not see this before,
The girl I adore was right in front of me?
And now I'll take a step back and look in your eye
And ask why it took so long to see
We're meant to be I'm happy knowing that you are mine
The grass is greener on the other si-ide
The more I think, the more I wish
That we could lay here for hours and just-a reminisce
On the good, the bad, the ugly
The smiles, the laughs, the funny,
Or all the things we put each other through
It's for you, for you, for you. You make me happy, whether you know it or not
We should be happy, that's what I said from the start
I am so happy, knowing you are the one
That I want for the rest of my days
For the rest of my days
I'm happy knowing that you are mine
The grass is greener on the other si-ide
The more I think, the more I wish
That we could lay here for hours and just-a reminisce.
Uh Ooo Ooo
