

# Slip Slidin' Away

Paul Simon

Slip slidin' away  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' away I know a man  
He came from my home town  
He wore his passion for his woman  
Like a thorny crown  
He said Delores  
I live in fear  
My love for you's so overpowering  
I'm afraid that I will disappear  
Slip slidin' away  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' away And I know a woman  
Became a wife  
These are the very words she uses  
To describe her life  
She said a good day  
Ain't got no rain  
She said a bad day's when I lie in bed  
And think of things that might have been Slip slidin' away  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' away  
And I know a father  
Who had a son  
He longed to tell him all the reasons  
For the things he'd done  
He came a long way  
Just to explain  
He kissed his boy as he lay sleeping  
Then he turned around and headed home again He's slip slidin'  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' away And God only knows  
God makes his plan  
The information's unavailable  
To the mortal man  
We're workin' our jobs  
Collect our pay  
Believe we're gliding down the highway

When in fact we're slip slidin' awaySlip slidin' away  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' awaySlip slidin' away  
Slip slidin' away  
You know the nearer your destination  
The more you're slip slidin' away  
Mmm
