

Rain Is a Good Thing

Luke Bryan

My daddy spent his life lookin' up at the sky
He'd cuss kick the dust, sayin' son its way to dry
It clouds up in the city, the weather man complains
But where I come from, rain is a good thing Rain makes corn, corn makes whiskey
Whiskey makes my baby, feel a little frisky
Back roads are boggin' up, my buddies pile up in my truck
We hunt our hunnies down, we take 'em into town
Start washin' all our worries down the drain
Rain is a good thing
Ain't nothin' like a kiss out back in the barn
Ringin' out our soakin' clothes, ridin' out a thunderstorm
When the tin roof gets to talkin' it's the best love we've made
Yeah where I come from, rain is a good thing Rain makes corn, corn makes whiskey
Whiskey makes my baby, feel a little frisky
Back roads are boggin' up, my buddies pile up in my truck
We hunt our hunnies down, we take 'em into town
Start washin' all our worries down the drain
Rain is a good thing Farmer Johnson does a little dance
Creeks on the rise, roll up your pants
Country girls, they wanna cuddle
Kids out playin' in a big mud puddle
Rain makes corn, corn makes whiskey
Whiskey makes my baby, ha ha ha
Back roads are boggin' up, my buddies pile up in my truck
We hunt our hunnies down, we take 'em into town
Start washin' all our worries down the drain
Rain is a good thing Rain is a good thing
Rain is a good thing
Rain is a good thing
