

# A Song for You

[Donny Hathaway](#)

I've been so many places In my life and time  
I've sung a lot of songs  
I've made some bad rhymes  
I've acted out my life in stages  
With 10, 000 people watching But we're alone now  
And I'm singing this song to you  
I know your image of me  
Is what I hoped to be  
I treated you unkindly  
But darling, can't you see?  
There's no one more important to me  
Baby, can't you see through me?  
'Cause we're alone now And I'm singing this song to you  
You taught me precious secrets  
Of a true love with holding nothing  
You came out in front when I was hiding  
Now I'm so much better And if my words don't come together  
Listen to the melody  
'Cuz my love is in there hiding  
I love you in a place  
Where there's no space or time  
I love you for my life  
You' re a friend of mine  
And when my life is over  
Remember when we were together  
We were alone  
And I was singing this song to you  
I love you in a place  
Where there's no space or time  
I love you for my life  
You' re a friend of mine  
And when my life is over  
Remember when we were together  
We were alone  
And I was singing this song to you  
We were alone  
And I was singing this song to you  
We were alone  
And I was singing this song  
Singing this song to you
