## R.E.M.

Nations call  
Par-parallel  
Neighbors call  
All in all in all in all in all That's worth saving up for  
Put our heads down on the chest  
Mustn't even race for rest  
Easy come, easy go Easy come, easy go  
Easy come, easy go Stares conceal  
Par-parallel  
Neigh-neighbors call  
All in all in all in all in all  
That's worth saving up for  
Put our heads down on the chest  
Mustn't even race for rest  
Easy come, easy go Easy come, easy go  
Easy come, easy go Chance is yours and call the shot  
Even in a parking lot  
With one romance  
One romance Easy come, easy go  
Easy come, easy go Neighbors call  
Par-parallel  
Late at night nations fall  
All in all in all in all in all  
That's worth saving up for  
Put our heads down on the chest  
Mustn't even race for rest  
Easy come, easy go Easy come, easy go  
Easy come, easy go
