

# Dance Again

## Selena Gomez

Happiness  
Ain't something you sit back and you wait for  
Mm-mm ah-ah  
Confidence  
Is throwing your heart through every brick wall  
Mm-mm ah-ah I kick-start the rhythm  
All the drama's in remission  
No, I don't need permission Feels so, feels so, feels so good to dance again  
Feels so, feels so, feels so good to dance again  
With my emotions untwisted, I'm going in  
With everything  
To dance again  
Feels so, feels so, feels so good  
Vulnerable  
Ain't easy, believe me, but I do it  
Mm-mm ah-ah  
It's like I'm ten feet tall  
I'm high off the weight off of my shoulders  
Mm-mm ah-ah I kick-start the rhythm  
All the drama's in remission  
No, I don't need permission  
I kick-start my system  
When I speak, my body listens  
I know what I'm missing Feels so, feels so, feels so good to dance again  
Feels so, feels so, feels so good to dance again  
With my emotions untwisted, I'm going in  
With everything  
To dance again  
Feels so, feels so, feels so good  
(Ooh) (Ah) (Ooh) I'm feeling  
(Ooh) (Ah) (Ooh) Me again  
(Ooh) (Ah) (Ooh) Feels so good to dance again (Ah)  
Feels so, feels so, feels so good (So, so, so good) Happiness  
Ain't something you sit back and you wait for  
Feels so, feels so, feels so good to dance again, ah Feels so, feels so, feels so good to dance again  
With my emotions untwisted, I'm going in (Going)  
With everything (Everything)  
To dance again  
Feels so, feels so, feels so good I kick-start the rhythm (Ooh) (Ah)  
All the drama's in remission (Ooh I'm feeling)  
Mmm (Ooh) (Ah) mmm (Me again)  
I kick-start the rhythm (Ooh) (Ah)

All the drama's in remission (Ooh I'm feeling)  
Mmm (Ooh) (Ah) feels so, feels so, feels so good
