

# Everything That Isn't Me

Lukas Graham

[Verse 1]

I could have been a better brother  
I could have been a better son  
I'm sorry for the pain I caused you  
And all the worries that I gave you, mom  
Every time there was a riot  
I couldn't ever stay at home  
I had to go and join the fire  
You and dad said no, but I had to go  
You were still the best of mothers  
And now I know the fear you felt for me  
You told me to stay off the streets 'cause  
You didn't like me out there selling weed

[Chorus]

I don't regret the things I've done  
They made me what I am, you see  
I can't apologize forever  
For everything that isn't me [Verse 2]  
I could have been a better brother  
I could have been a better friend  
I hope you know how much I love you  
And if you don't, I really understand  
I used to be so bloody selfish  
I tried to make it to the top, you see  
The only thing I didn't get is  
You've always given me the help I need  
I should have been a better brother  
It's easy now to see it clear  
I'm sorry that I hurt you all and  
I'm sorry that I caused you all so many tears

[Chorus]

I could apologize forever  
For everything I couldn't be  
I can't apologize forever  
For everything that isn't me [Verse 3]  
I could have been a better lover  
I could have been a better man  
I'm sorry that I work so much and  
The fact that I never really have a plan  
I'm sorry, oh, I'm so sorry  
That it's so hard to say this word  
And even with all the things we've been through

Sometimes I think that I will never learn  
I could have been a better lover  
I could have been a better man  
I'm gonna be a better father  
Hell, I'm doing everything I can[Chorus]  
And I will live with this forever  
With everything I couldn't be  
I can't apologize forever  
For everything that isn't me[Outro]  
I could have been a better brother  
I could have been a better son  
I could have been a better lover  
But in the end, I'm your only one
