

# How I Do It (feat. Pleasure P)

## Rayven Justice

Pull up to the club (my nigg\*s)  
Bounce up (bounce up)  
What's up with it?!

In the club, f\*cking with bitches  
Take your bitch,  
now she misses  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it

I ain't scared of nobody  
All my nigg\*s behind me  
Better think twice before you try me  
East Oak is where you can find me  
Don't get mad at me, 'cause your bitch want the D  
Can't do nothing better,  
You don't really want these problems  
They just want to know how I do it  
How I make a nigga look stupid  
Nigg\*s look at me out of pocket,  
Nigg\*s telling me I know the sideways  
Pull up to the club (My nigg\*s)  
Bounce up (bounce up)  
What's up with it?!

In the club, f\*cking with bitches  
Take your bitch, now she misses  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it

It's how I do it  
My nigg\*s got money, my nigg\*s got bitches  
My nigg\*s keep guns like  
Your nigg\*s are broke, your nigg\*s sharing clothes  
pillow talk to them hoes like  
And my bitches like to party  
My bitches poppin' Mollys  
My bitches kissing girls like  
Don't make me send my bitches to recruit your bitches  
Let them see what it feels like  
Get you high when them bottles go up  
I know nigg\*s hatin' on us,

but I don't give a fuck Pull up to the club (My nigg\*s)  
Bounce up (bounce up)  
What's up with it?!  
In the club, f\*cking with bitches  
Take your bitch, now she misses It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it  
It's how I do it
