

# Hot to the Touch

Grace Potter

Forgive me if I'm not myself tonight

Intoxicated

You are maybe

you are the same

A little too much is never enough

Hard to the touch

Ohh ohh ohh x3

Cough

Possible to love something to much

one night with you is enough

Hard to touch

A little too much for you

boom boom shackalaka

I hear echos and feel the same

a little too much for you to handle

ohh ohh ohh ohh x3
