

Jordans

Jacob Sartorius

Love you like a
Like, like, like a fresh pair
Be my Jordan's, Jordan's, Jordan's
HEY
You give me a feeling
That I can not lie
I can not lie
The fresh out the box, where you caught my eye
Working on the ceiling
Yeah
Got you on my mind
On my mind
Cause I seen the angel fall right out the sky
Swoosh
Tell me that your down
So we can run this court
We can rule this town
And build a dynasty
Everyone drive pick
Ey
Nothing but the next swish
Ey
Low - Key feelin you high -key
You and me together make a dream team
You should rock my jersey, number 23
You make me feel on top of the world like I'm ballin
I love you like a fresh pair of Jordan's
And all them other girls they don't really know me
I be on my NJ winning like I'm Koby
Top of the world like I'm ballin
Like I'm balling yeah
I love you like a fresh pair of Jordan's
When you come around
Yo
I'm feeling nice
I'm feeling nice
Hitting them 3's like being overtime
And you keep me focused
Cause you be the dopest
No need to lie girl
I know that you notice
Tell me that your down

So we can run this court
We can rule this town
And build a dynasty
Everyone drive pick
Yo
Nothing but the next swish
Ey
Low-key I be feeling you high-key
You and me together
Make a dream team
You should rock my jersey, number 23
You make me feel on top of the world like I'm ballin
I love you like a fresh pair of Jordan's
And all them other girls they don't really know me
I be on my NJ winning like I'm Koby
Top of the world, like I'm ballin
I love you like a fresh pair of Jordan's
Top of the world, on top of the world
Wanna ride with you girl, wanna ride with you girl
On the top of the world, on top of the world, on top of the world, on top of the world
Wanna ride with you girl, on the top of the world
Wanna ride with you girl, wanna ride with you girl
Jordan's, Jordan's
Yeah, Yeah
Like a fresh pair of Jordan's, Jordan's, Jordan's
Yeah, Yeah
I believe,
We could leave a legacy girl
I believe,
They gon put our names, in the hall of fame
You and me together
Make a dream team
You should rock my jersey, number 23
You make me feel on top of the world like I'm ballin
I love you like a fresh pair of Jordans
So fresh
And all them other girls they don't really know me
I be on my NJ winning like I'm Koby
Top of the world like I'm ballin
I love you like a fresh pair of Jordan's
On top of the world, on top of the world
Wanna ride with you girl, wanna ride with you girl
I'm on top of the world, on top of the world, on top of the world, on top of the world
Wanna ride with you girl, on top of the world
