

Bitch hit me on a touchdown, but I curved it  
They be beggin' me to keep the bitch, but I don't need the bitch  
Ray Charles, John Cena shit, I can't see the bitch  
In the DM sendin' naked pics, Uber that bitch  
But I send her in the pool even though I'm rich as shit[Outro: Tory Lanez]  
It's fuckin' Tr—  
Oh wait, I forgot you can't say that shit  
You can say everything else that start with a T, though  
It's fuckin' Trojan  
It's fuckin' Target  
It's fuckin'—  
Hahahaha
