

# Peer Pressure

## Pretty Ricky

(Chorus Pleasure)

Can I put a little peer pressure on you  
Are u ready, cause I'm ready,  
Can I put a little peer pressure on you

Cause I know you want it, And I need it(Verse 1 Baby Blue)

How you doin baby, lemme introduce me, ima blue star from mi-am-I, im 5'3 attitude cocky, u sweet like sugar honey, of course you gotta man what dat gotta do wit me, I see em ova there lookin at me, im b-a-d b-a-d, we can take it to da streets, if he feel like putting pressure on ya,

I'll be there to protect ya, wit all my l-o-v-e, all my l-o-v-e

You a p-y-t(pretty young thang) and I aint tryna say the wrong thang most boys only want one thang, so let me ask you something whoa(Chorus Pleasure)

Can I put a little peer pressure on you (on you)

Are u ready,(you ready) cause I'm ready,

Can I put a little peer pressure on you

Cause I know you want it,(you want) And I need it (i need it)

(Verse 2 Spectacular)

What's ya name, where u from, I see you alone, can I come sit wit u, I aint a bugaboo, but ya so fine, I had to bug ya boo, i aint da average joe, beat it like da heat did da mavericks home, I aint never been pressured before, next thing I know you was saying oh spec you so sexy oh so so sexy, on your work desk girl, I'll put ya to da test, I'll be yo teacher, yo platinum visa, I'll be yo pimp you be my skeezer, my pleaser, meet me at da 4 seasons for dis pressure

(Chorus Pleasure)

Can I put a little peer pressure on you?

Are u ready, cause I'm ready,

Can I put a little peer pressure on you?

Cause I know you want it, And I need it(Verse 3 Slick Em)

First I met you at school, talking on da phone everything seemed cool, you say u had a dude but oh it so rude, never did nuthin only got to base 2 tried to hit a home run but neva got through, like what they do, put you in da front seat of da coop and we could cruise, now baby girl you so pretty to me, now when we chill its like a beautiful symphony, now come vibe wit ya boy, lil slick from 5 5, hop in da S five lets take a little ride and see da city skies, go to papa johns and get a split pie, now im 21 bout mines, and I know you 21 about yours, baby girl we can do dis

fa sho, keep it on da down low of course

(Chorus Pleasure)

Can I put a little peer pressure on you?

Are u ready, cause I'm ready,

Can I put a little peer pressure on you?

Cause I know you want it, And I need it Pressure, Pressure, Pressure for ya babe(x3)
