

# Sparkle

## Cameo

Oohhoo  
When I first saw you  
You had sparkle in your eye  
Like the stars at night  
High in the sky How I wish  
That you were mine  
'Cause to me  
You're one of a kind When I look at you  
It seems so untrue  
How someone like you  
Can make me feel the way you do Sparkle in your eye (I)  
Sparkle in your eye (I see that sparkle in your eye)  
Sparkle in your eye (Ohohohwhoaha)  
You're so fine  
For all the world to see  
I find you hard to believe, you see  
(You're so beautiful, yeah, yeah)  
You make me want to love you (Yeah, yeah)  
Oohhoo When I look at you (When I look at you)  
It seems so untrue  
How someone just like you Your eye  
Sparkle in your eye (When I look at you I see)  
Sparkle in your eye (Heyheyheyyeah) Ha Yeah, yeah, yeah, ah, ha (Ah, ha)  
Yeah, yeah, yeah  
Yeah, yeah, yeah, ah, ha  
Yeah, yeah, yeah  
Yeah, yeah, yeah, ah, ha (Ah, ha)  
Yeah, yeah, yeah (Sparkle, sparkle) (Baby, baby) Sparkle in your eye (Baby, baby)  
Sparkle in your eye (Oh, oh, oh, oh, oh, oh)  
Sparkle in your eye (Ow, ow, baby)
