

Dirty Lovin'

Cash Cash

I want your hot dirty lovin tonight
I think you're hands down out of your mind but baby I'm not very far behind
You like it dirty and I'm not gonna lie
So do I
So do I

I want your dirty lovin (got me goin crazy)
Dirty lovin (always give me fore play)
Dirty lovin (got me goin crazy)
Dirty lovin I think your hands down out of your mind
You like it dirty but you're so divine
Please me don't tease me
Lets do it right

I want your hot dirty lovin tonight
I think your hands down out of your mind
You like it dirty but you're so divine
Please me don't tease me
Lets do it right

I want your hot dirty lovin tonight I want your dirty lovin (got me goin crazy)
Dirty lovin (always give me fore play)
Dirty lovin (got me goin crazy)
Dirty lovin I'm thinkin you and me are two of a kind.
A girl like you is very hard to find
You like it dirty and I'm not gonna lie So do I
So do I

I want you dirty lovin (got me goin crazy)
Dirty lovin (always give me fore play)
Dirty lovin (got me goin crazy)
Dirty lovin

I want your hot dirty lovin tonight
I want your hot dirty lovin tonight I think your hands down out of your mind
You like it dirty but you're so divine
Please me don't tease me
Lets do it right

I want your hot dirty lovin tonight I think your hands down out of your mind
You like it dirty but you're so divine
Please me don't tease me
Lets do it right

I want your hot dirty lovin tonight I want your dirty lovin (got me goin crazy)
Dirty lovin (always give me fore play)
Dirty lovin (got me goin crazy)
Dirty lovin
