

In the Water

GAWVI

IN THE WATER LYRICS Hanging on for love

For you

You

I can't get enough

Of you

You If you got love

If you got love

If you got love

That's unconditional

Fill it up

Fill it up

Fill it up

With something spiritual

You you you know there's something in the water

Something in the water

S-s-something in the water

You you you got that flame getting hotter

Flame getting hotter

F-f-flame getting hotter

(Something in the water)

(Something in the water)

You you you know there's something in the water

Something in the water

There's something

Something in the water

Something in the water

Something in the water

Something in the water

Something, something

I'm diving in deep

Into You

You

Everything I need

Is You

You If you got love

If you got love

If you got love

That's unconditional

Fill it up

Fill it up

Fill it up

With something spiritual You you you know there's something in the water

Something in the water
S-s-something in the water
You you you got that flame getting hotter
Flame getting hotter
F-f-flame getting hotter
(Something in the water)
(Something in the water)
You you you know there's something in the water
Something in the water
There's something
Something in the water
Something in the water
Something in the water
Something in the water
Something, something(If you got love)
(If you got love)
(If you got love)
(That's unconditional)
(Fill it up)
(Fill it up)
(Fill it up)
(With something spiritual)You you you know there's something in the water
Something in the water
S-s-something in the water
You you you got that flame getting hotter
Flame getting hotter
F-f-flame getting hotter
(Something in the water)
(Something in the water)
You you you know there's something in the water
Something in the water
There's something
Something in the water
Something in the water
Something in the water
Something in the water
Something, something(Something in the water)
(Something in the water)
