

# Moving Too Fast

Jeremy Jordan

Did I just hear an alarm start ringing?  
Did I see sirens go flying past?  
Though I don't know what tomorrow's bringing  
I've got a singular impression  
Things are moving too fast I'm gliding smooth as a figure skater  
I'm riding hot as a rocket blast  
I just expected it ten years later  
I've got a singular impression  
Things are moving too fast  
And you say, "Oh, no  
Step on the brakes  
Do whatever it takes  
But stop this train  
Slow, slow! The light's turning red"  
But I say: No! No!  
Whatever I do  
I barrel on through  
And I don't complain  
No matter what I try  
I'm flying full speed ahead  
I'm never worried to walk the wire  
I won't do anything just "half-assed"  
But with the stakes getting somewhat higher  
I've got a singular impression things are moving too fast I found a woman I love  
And I found an agent who loves me  
Things might get bumpy but  
Some people analyze every detail  
Some people stall when they can't see the trail  
Some people freeze out of fear that they'll fail  
But I keep rollin' on Some people can't get success with their art  
Some people never feel love in their heart  
Some people can't tell the two things apart  
But I keep rollin' on Oh, oh - maybe I can't follow through  
But oh, oh - what else am I supposed to do? I dreamed of writing like the high and mighty  
Now I'm the subject of a bidding war  
I met my personal Aphrodite  
I'm doing things I never dreamed of before We start to take the next step together  
Found an apartment on Seventy-Third  
The Atlantic Monthly's printing my first chapter  
Two thousand bucks without rewriting one word I left Columbia and I don't regret it  
I wrote a book and Sonny Mehta read it  
My heart's been stolen

My ego's swollen  
I just keep rollin' along And I think  
Well, well, what else is in store?  
Got all this and more before twenty-four  
It's hard not to be sure  
I'm spinning out of control  
Out of control I'm feeling panicked and rushed and hurried  
I'm feeling outmaneuvered and outclassed  
But I'm so happy I can't get worried  
About this singular impression  
I've got a singular impression things are moving too fast
