

Luna Llena

Malu Trevejo

Yo sigo el ritmo
Baby, yo siento el tambor
Que hermosa noticia
Saber que la noche empezó
Y hoy tu verás
Un lado de mi eh, eh, eh
Siguiendo el ritmo
Baby, yo siento el tambor
Dale, dale, dale, dale, dale, here we go
Dale, dale, dale, dale, dale, here we go
One, two, three, put it on me
Tell me now, what's it's goin' be?
Dale, dale, dale, dale, dale, here we go
Con la luna llena
I'm going crazy tonight (hey, hey, hey, hey)
Con la luna llena
Dance with me all through the night (hey, hey, hey, hey)
Seguimos gozando, play with my vibe
Pegando, bajando, sparks gonna fly
Con la luna llena
I'm going crazy
I'm going crazy tonight
Eh
Perdiendo el control
Ya perdí la razón
Quiero verte bailar
Adentro llevo pasión
Y hoy tu verás
Un lado de mi, eh, eh, eh
Perdiendo el control
Come cuando predio la razon, oh oh oh
Dale, dale, dale, dale, dale, here we go
Dale, dale, dale, dale, dale, here we go
One, two, three, put it on me
Tell me now, what's it's goin' be?
Dale, dale, dale, dale, dale, here we go
Con la luna llena
I'm going crazy tonight (hey, hey, hey, hey)
Con la luna llena
Dance with me all through the night (hey, hey, hey, hey)
Seguimos gozando, play with my vibe
Pegado, bajando, sparks gonna fly

Con la luna llena
I'm going crazy
I'm going crazy tonight
Crazy, no?
Pulling on me
Baby, come kick it with me
You, get much mind, you'll see
A bit of crazy, a bit of crazy
Crazy, no?
Pulling on me
Baby, come kick it with me
You, get much mind, you'll see
A bit of crazy, a bit of crazy
Con la luna llena
I'm going crazy tonight (hey, hey, hey, hey)
Con la luna llena
Dance with me all through the night (hey, hey, hey, hey)
Seguimos gozando, play with my vibe
Pegado, bajando, sparks gonna fly
Con la luna llena
I'm going crazy
I'm going crazy tonight
Con la luna llena
I'm going crazy tonight (hey, hey, hey, hey)
Con la luna llena
Dance with me all through the night (hey, hey, hey, hey)
Seguimos gozando, play with my vibe
Pegado, bajando, sparks gonna fly
Con la luna llena
I'm going crazy
I'm going crazy tonight
