

Donkey

Jerrod Niemann

Put my Chevy in the ditch
A couple grand to get it fixed
Bank account runin' dry
Boss ain't got no overtime
Friday rolls around gotta get this party to town got nothin to drive but just outside I hear my
rideGonna ride that donkey donkey
Out to the Honky Tonky
Its gonna get funky funky
Its gonna get funky funky
(ow ow)
George Jones drives a tractor
My donkey gets it faster
When i pull up in a pick up truck i just break out in laughter
But the ladies think its cool that I kick it with a mule
I fill the glass we tip 'em back
They dig the way I ride that ass and I do
You would if you could to
They all want on it when they done ride it like you know whoGonna ride that donkey donkey
Down to the Honky Tonky
Its gonna get funky funky
Its gonna get funky funky
(ow ow)All the ladies like to ride
Oh the ladies like to ride
Oh the ladies like to ride
Oh the ladies like my D-O-N-K-E-Y
When they say that it's last call
I don't sweat it y'all
Got a bottle in the saddle
And a six pack in the stall
So baby what you say
Giddy up to my place
Hit the barn ain't no harm
Foolin' in the hayGonna ride that donkey donkey
Down to the Honky Tonky
It's gonna get funky funky (ow ow)
It's gonna get funky funky (ow ow)Gonna ride it
Gonna ride it
gonna ride that donkey donkey
Down to the honky tonky
Its gonna get funky funky (That donkey)Gonna ride that donkey donkey
Down to the honky tonky
Its gonna get funky funky

Its gonna get funky funky
Its gonna get funky funky
(ow)
