

All Me (feat. 2 Chainz & Big Sean)

Drake

Got everything, I got everything
I cannot complain, I cannot
I don't even know how much I really made, I forgot, it's a lot Fuck that, never mind what I got,
nigga don't watch that cause I
Came up, that's all me, stay true, that's all me
No help, that's all me, all me for real
Came up, that's all me, stay true, that's all me
No help, that's all me, all me for real
Money on my mind, you should think the same
J's on, pinky ring
Dogging these hoes, I need quarantine In the same league, but we don't ball the same
(Ah) She want all the fame, I hear that shit all the time
She said she love me, I said, "Baby girl, fall in line"
Okay, made a million, off of denim, fuck, watch me switch it up
Walked in, "Ill nigga alert! Ill nigga alert!"
You need that work, I got that work, got bitches in my condo
Just bought a shirt that cost a Mercedes-Benz car note
From the A to Toronto, we let the metal go off
And my dick so hard it make the metal detector go off
This that sauce, this that dressing, Givenchy, nigga God bless you
If having a bad bitch was a crime, I'd be arrested (True)
Got everything I got everything I can not complain I cannot
I don't even know how much I really made, I forgot, it's a lot
Fuck that, never mind what I got, nigga don't watch that cause I
Came up that's all me
Stay true that's all me
No help that's that's all me, all me for real
Came up that's all me
Stay true that's all me
No help that's that's all me, all me for real
I touched down at '86
Knew I was a man by the age of 6
I even fucked girls that used to babysit
But that was years later on some crazy shit
I heard your new shit, nigga hated it
Damon Wayans told me don't play that shit
I get paid a lot, you get paid a bit
And my latest shit is like a greatest hits
God damn, ain't no wishing over on this side
Y'all don't fuck with us, then we don't fuck with y'all
It's no different over on this side
God damn, should I listen to everybody or myself?

Cause myself just told myself
 "You're the motherfucking man, you don't need no help"
 Cashing checks and I'm bigging up my chest
 Y'all keep talking 'bout who next
 But I'm about as big as it gets
 I swear y'all just wasting y'all breath
 I'm the light skinned Keith Sweat
 I'mma make it last forever It's not your turn 'cause I ain't done yet
 Look, just understand that I'm on a roll like Cottonelle
 I was made for all of this shit And I'm on the road box office sales
 I'm getting paid for all of this shit
 Ask you to please excuse my table manners
 I was making room for the table dancers
 'Cause if we judging off your advances
 I just got paid like eight advances
 God damn!
 Got everything, i got everything
 I cannot complain, I cannot
 I dont even know how much I really made i forgot its a lot
 Fuck that, never mind what I got, nigga don't watch that cause I
 Came up that's all me
 Stay True that's all me
 No help that's all me, all me for real
 Came up that's all me
 Stay True that's all me Ho, shut the fuck up
 I got way too much on my mental, I learn from what I've been through
 I'm finna do what I didn't do and still waking up like the 'rents do
 Not complicated, it's simple, I got sexy ladies, a whole Benz-full And to them hoes I'm
 everything, Everything but gentle
 But I still take my time (time), man, I guess I'm just old fashioned
 Wearing retro shit, that's old fashioned
 Nigga, see what I'm saying, no closed caption
 I paint pics, see the shit, good sex, need to hit
 Keep a bra on the floor year 'round like season tickets
 I plead the fifth, drink a fifth
 Load the nine, leave you split, in the half, smoke a half, need a zip
 My new girl is on Glee and shit, probably making more money than me and shit
 I swear to God I got 99 Problems but a bitch ain't one
 I got 99 problems, getting rich ain't one
 Like I got trust issues, I'm sorry for the people I've pushed out
 I'm the type to have a bullet-proof condom and still gotta pull out
 But that's just me, and I ain't perfect, I ain't a saint but I am worth it
 If it's one thing, I am worth it, niggas still hating but it ain't working
 Lil' bitch...
