

# All For One

## Alpine

Imagine me falling  
Or am I new?  
I am now roaringMaybe  
We could  
Answer  
Maybe  
We could  
AnswerI am all for one when I strike  
(Find a way to a heart, don't turn away)  
'Cause this is our timeImagine me falling  
I am now roaring  
Maybe  
We could  
Answer  
Maybe  
We could  
AnswerI am all for one when I strike  
(Find a way to a heart, don't turn away)  
'Cause this is our time  
'Cause this is our timeI have  
A thousand questions  
I have  
I have  
A thousand questions  
Something that you never were  
Something that I always was  
Something that you never were  
Something that I always was  
'Cause this is our timeWe are the love, we are the love, we are the love  
We are the love, we are the love, we are the love'Cause this is our time...
