

# The One That Got Away (feat. B.o.B)

Katy Perry

Summer after high school when we first met  
We make-out in your Mustang to Radiohead  
And on my 18th Birthday  
We got matching tattoos  
Used to steal your parents' liquor And climb to the roof  
Talk about our future  
Like we had a clue  
Never planned that one day  
I'd be losing you  
In another life  
I would be your girl  
We keep all our promises  
Be us against the world  
In another life  
I would make you stay So I don't have to say  
You were the one that got away  
The one that got away  
I was June and you were my Johnny Cash  
Never one without the other We made a pact Sometimes when I miss you  
I put those records on (whoa) Someone said you had your tattoo removed  
Saw you downtown singing the Blues  
It's time to face the music  
I'm no longer your muse  
In another life  
I would be your girl  
We keep all our promises  
Be us against the world  
In another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away  
The one, the one, the one  
The one that got away  
All this money can't buy me a time machine (No)  
Can't replace you with a million rings (No)  
I should told you what you meant to me (Whoa)  
Cause now i pay the price  
In another life  
I would be your girl  
We keep all our promises  
Be us against the world

In another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away  
The one, the one, the one  
In another life  
I would make you stay  
So I don't have to say  
You were the one that got away  
The one that got away
