

# I'm Goin In (feat. Lil Wayne & Young Jeezy)

## Drake

Hello mothafucka, hey hi how ya durrn'?  
It's Weezy F Baby come to take a shit and urine  
On the toilet bowl bitches, pussy ass niggas  
Stomping on this beat like a motherfucking sigma  
Bad to the bristle, hat to the rizzle  
I'm so official all I need is a whistle  
Bitch named Crystal, let her suck my pistol  
She opened up her mouth and then I blew her brains out  
You ain't met a nigga like me, you probably never will  
Riders rolling with me, like 11 wheels  
Find out where you living, kill you in the kitchen  
The feds trying to clip us but we ain't even tripping I'm goin' in  
And I'mma go hard  
First off, you know what it is if you heard Drake  
Making hoes wobble like a bridge in a earthquake  
Never see me out cause I live in my workplace  
I'll give you the business so button up your shirt straight  
Look at where I landed, you would think I planned it  
I'm just doing me and you could never understand it  
Chicks get hammered, big dick bandit  
Money flowing like a slit wrist no bandage  
Blowing purple clouds nigga I'm so sky high  
I ain't cutting anybody slices outta my pie  
Outta this world though: I'm so sci-fi  
And I don't sit still I keep it moving like a drive-by  
I just tell the truth so I'm cool in every hood spot  
21 years and I ain't ever met a good cop  
Me and Wayne lean like Kareem doing shots  
Cover me I'm goin' in and bucking when the drop  
Hold up, wait one motherfucking minute  
It's the El Capitan, I got motherfucking lieutenants  
If I said "I'm goin' in" then I motherfucking meant it  
And if I brought it in the club then I'mma motherfucking spend it  
Cost a few hundred bands and I'm motherfucking in it  
No need for a room, Yea you know I'm fucking in it  
She acting like she not, but she know she fucking winning  
She said, "I seen it all", I said, "no you fucking didn't"  
You ever bust 10 nuts in a 2-seater?  
She said "I can't feel my legs", I'm like "bitch, me neither"  
I'm goin' in, where should I begin?  
I don't even know, maybe where my blunt end  
And I'mma be a legend even when my life end

And I'mma be a legend even when this night ends  
Yea I do my thang, hop up out it like BEM!  
Bitch, I said I'm him, so I'm nothing like them  
I'm goin' in!
